Dear Mr. Higgins,

The colours on the Irish flag are green white and gold. I know you like talking as Gaeilge and I like learning Gaeilge too. I know you like books because you are an author and a poet.

What jobs do you do as president? Do you like your job?

Being A Good Sister

Katie is my sister. She is 5. Her birthday is on January the 25th. I give Katie a lot of toys. She likes to dance to 1D. Her favourite person in 1D is Niall. Katie has special needs. She needs lots of help from doctors. We love to play with my dog Pudsy. Katie likes to get my dogs bone and run around the house. My family find it funny. I am so happy that she is my sister and I hope she is happy to be my sister!

Dear Miss. Taylor,

I hope you win all of your matches! I hope you have a lovely time with your coaches. I love the way you box. You are amazing at it. I even watch you on tv. It's cool the way you do it like that. I know that you were 12 years old when you started boxing. I know all about you. You are good and lots of people cheer for you. Barely any people cheer for the other person on the other team and I appreciate you.

Love,

Penguins

The penguin is a bird that can't fly.

The Emperor penguin is the biggest penguin in the world. The Blue penguin is the smallest penguin in world.

The Daddy penguin minds the egg while the Mammy penguin gets food for the baby. When the egg hatches the Daddy penguin gets food for the family. When I was in 1st class I was the same size as an Emperor penguin!

Rooney

Really good at soccer.

Offside means you can't score.

Operation means you are injured.

Nutmeg means if you kick the ball through somebody's legs.

Every week you play matches.

Your teammates are very good.

A Sea Monster

Once there was a knight called Justice he liked to explore the sea. He loved the fish. One day he met a monster in the sea. It had huge flippers and a very long head. He told the other knights but they did not listen but one knight did listen and said I want to come with you. Justice said "yes". They got into the water and saw the sea monster. The sea monster saw them and he came to them. They had a plan. They said "how will we capture something this big?" We will come to the surface and he will follow but they had no idea the monster wanted Justice's medal. Now the monster wanted to rampage. "This is really bad" the knight said. Justice gave the medal to the monster. The sea monster left. THE END.

Football

One day I scored a goal with my friends and I had a good time. It was the best day I had. The next day I lost the game and I was still happy and me and my friends had a good time. Even when I lost the game I was happy because I know I can't win every time

Dear Santi Cazorla,

It was a sensational free kick you scored in the F.A Cup final 2014! My name is Jack Maher and when I grow up I really, really want to be a soccer player and play for Arsenal. Some of my friends say that Arsenal aren't good but I know that Liverpool aren't better than Arsenal. Tell Arsène Wenger that he is a very, very, very good manager.

You are my favourite player. I love to play in midfield.

From,

Jack Maher

The Swallow

The swallow has a fork tail. In winter the swallow goes to South Africa. The swallow has a long journey. Sometimes swallows die on the long journey. The swallows fly down to the water to get a quick drink. In summer the swallow comes back to Ireland.
